

COVID-19 SMALL BUSINESS FORUM WEBINAR SERIES

Designed to assist small businesses impacted by COVID-19, this weekly virtual forum features the Los Angeles Area Chamber of Commerce and Dr. Lucy Jones translating the science of the COVID-19 pandemic, representatives from local government and Community Development Financial Institutions and business organizations to provide resources and guidance specifically for small businesses. These facilitated virtual forums will allow for Q&A, with questions being collected and posted after each week's forum.

- Guest speakers include Office of Mayor Eric Garcetti - L.A. Emergency COVID-19 Crisis Fund
- County of Los Angeles - COVID-19 Resource Portal
